## PURDUE UNIVERSITY

## SCHEDULE CARD

Preserve this card. If you lose it after completion of registration, a charge of fifty cents is made for each duplicate.

When properly stamped on reverse side this card admits the holder to classes in all subjects there assigned and scheduled. It must be brought to the Registrar's Office for any modification whatever. You are not permitted to attend classes to which you are not assigned, without a special visitor's ticket issued by the Registrar. You are not permitted to withdraw from assigned subjects, except after obtaining the approval of the proper University officials, as indicated in the following paragraph. A grade will be given you at the end of the term for every subject then remaining on this card.

If you wish to drop a course you must have your assignment to the course cancelled. The following steps are necessary:

(1) Consult the head of the department in which the course is given, who if he approves, will give you a recommendation for the cancellation on Form 109, and will indicate whether or not you are passing in the course at that time.

(2) Take this recommendation, Form 109, and this schedule card, Form 102, to the head of the school in which you are enrolled, and obtain his signature, indicating his approval.

(3) If, after the end of the first six weeks of the term, you are dropping a course in which you are not passing, the recommendation must also be signed by the Chairman of the Committee on Scholastic Delinquencies and Readmission, who will determine whether or not you are to receive a grade of F.

(4) Then bring the recommendation, Form 109, with this schedule card, Form 102, to the Registrar's Office, where the cancellation will be made.

If you wish additional assignments, the procedure is substantially the same, except that in addition to items (1), (2) and (4) you must make out two new schedule cards, showing the revised schedule, must have them approved by the head of your school, and bring them to the Registrar's Office along with the recommendation on Form 109, and the old schedule card.

For changes from one division to another in the same course, the procedure is the same, except in certain cases, when the instructor assumes the responsibility for the transfer. In such cases he will take up this card in class, and later return it to you, after the proper changes have been made in the Registrar's Office.

Take this card with you when consulting the head of your school about your program of studies.

RALPH B. STONE,  
Registrar.
