DEAR DAD,
TODAY JOE LET ME HAVE HIS STAMP ALBUM! YESTERDAY I
RECEIVED MY REPORT CARD! I WAS PROMOTED TO EIGHTH GRADE.
MY GERMAN WENT FROM 58 to 92! HERE ARE THE REST OF MY
MARKS- ENGLISH-89, SOCIAL STUDIES-87, MATH-95, SCIENCE-87,
MUSIC-90, ART-85, AND PHYSICAL EDUCATION-80. MY AVERAGE IS
83.85. TUESDAY EGFD WON AGAINST MAYFAIR JEWELERS 9 TO 1.
RAYMOND IS ON THAT TEAM. THE POOL IS EXCELLENT, THE
TEMPERATURE IS A PERFECT 76 DEGREES. THERE IS ONLY ONE THING
WRONG, I HAVE TO DO THE PAPER ROUTE. THIS USUALLY INTERFERES
WITH MY SWIMMING. MOM HAS SIGNED US UP FOR THE LESSONS
ON SWIMMING. I SHOULD BE ON MY LAST YEAR FOR LESSONS.
WE PLAN TO GO TO THE SOUND OF MUSIC AT THE CARMEN
DRIVE-IN AT REGULAR PRICES. IT HAS BEEN RAINING SINCE
YOU LEFT. HOW IS IT IN MEXICO? I HEARD IT IS NOT VERY HOT
IN MEXICO THIS TIME OF YEAR. IS THIS TRUE? JOE IS NOT
TAKING THE READING COURSE ANY MORE. WELL THAT IS ALL
THE EVENTS UP TO NOW.

YOUR SON,

Jay

Frank

Dear Dad,

I went to the reading course at B. G. Tuesday. We took a test to determine our vocabulary and speed and comprehension. It took up us close to 45 min. and because they weren't prepared we started at 10:30. (the time we are ~~supposed~~ supposed to leave) There were a total of 39 kids there and they ~~only~~ expected only 20. We got out at 11:30 so mom had a nice wait. Besides ~~me~~ Ray and I there were 3 other kids there from St. Joe's. Later that day ~~so~~ I got a call from some Brother at B. G. You will never guess what happened. There was a mistake made by the girl who marked the test. I don't know how it happened and either does the Brother who called ~~to~~ but

The girl marked my test 6th grade
and some number of months.
(they mark by grade level; the
first number is the grade and second
number the number of months
in the grade.) The correct score
for me was 8th grade and
1 month. So on account of this
I don't need to go any more, so
I'm free. Now to make your
wallet feel good; ~~you~~ you get
the money back that you paid.
Take a lot of pictures because
I want to see how the new
camera works. If you write be
sure to say what kind of camera
you have and please say what
the fastest speed of the shutter is. I
~~th~~ hope your having good weather,
it is ~~not~~ has been raining since
late Monday and isn't going to stop
till Saturday

Your son
G. Joe
