

# A Get-Well prayer

trust that God's Will is  
best for all concerned. He  
never makes a mistake &  
our Faith tells us this.

Things happen that we can't  
always understand. Yet it is  
only through suffering that we  
mature in the spiritual life.

You may be sure that Mr  
Shields & the children are in  
my prayers also.

May God strengthen you &  
your family at this time

Dear Mrs. Shields

May He who dwells  
in Heaven above,  
Look down and heal you  
with His love

Just heard the sad news  
last night & have been having  
the Sisters here & all the  
children asking St. Joseph to  
plead for your health. That's  
all we can do is pray and

of difficulty.

You're great, Mrs Shields!

I can almost hear your  
heartly laugh & hear some  
comment that would bring
