Hi!

I'm Leona's cousin & I did meet you at Father Lee's 25th. ann. in Lynn.

I was so shocked when I picked up the paper and read about Leona.

You have our deepest sympathy. I'm at a loss for words actually. I still haven't got over it. I don't know what happened but I feel it must have been sudden. If you ever in this part of the city you're more than welcome to stop by.
