

Rock Glen, Feb. 8th. '36,

Helle Frank

Doctor speaking -

Well I come to you again in my troubles, Jenisen and Madena have been trying to give me the "Raz" or something like that, I have discharged them both out of my business/ Now Frank if you would try and a fellow, honestly seeking a home and has any prospect of paying, I will give him a first class chance to get one. I have no use for the place, except to get a living out of it. Look around and see what you can do.

There are \$4.00. dollars back taxes that must be cared for/ the house has been rented for \$30.00 per month, Jenisen gobbled that all and more for improvements on in side of the house.

New Frank if you will look things up , I'll give you a written order to Mrs. Pedersen and call and see the house, she complains of the doors "being open all the time " and she has to live up stairs, as the lower floor is too cold. I cant risk it to go to B'klyn this weather so far " The love of Mike see what Zematter," with the doors , she is not complaining, but it takes too much coal.

Let me hear from you soon, if you do not care to take it up, its O. K.

Sincerely to all the family,

Dr. H. Magowan
