Re: Mortgage No. 1137

Dear Mr. Shields:

Enclosed you will find the original bond, original mortgage, assignment of mortgage to Catskill Savings Bank, four extension agreements, satisfaction of mortgage, mortgage ledger sheet, and Great American Insurance Co. Policy No. CDP 141 78 12.

You should immediately record the mortgage satisfaction piece in the Kings County Court House, and also notify your fire insurance agent that your mortgage has been paid in order that our bank's name may be deleted as mortgagee.

We appreciate having been able to serve you as mortgagee, and we know you will be very happy now that you have attained a debt free home ownership.

Very truly yours,

President.
