In any action or proceeding to foreclose said mortgage, or to recover or collect the debt secured thereby, the provisions of law respecting the recovery of costs, disbursements and allowances shall prevail unaffected by this covenant.

15. This agreement is made by the party of the first part, the record holder of said bond and mortgage, for itself, or, if the party of the first part has assigned said bond and mortgage to any actual owner who has title thereto, by or through assignment of said bond and mortgage made by said party of the first part, then it is understood and agreed between the party of the first part and the party of the second part that in executing this instrument the party of the first part is agent for the actual owner of said bond and mortgage, and that said actual owner and the party of the second part are bound by this instrument in the same manner as if it were executed by such actual owner.
