7/21/66 Session w/ WCB on Salary & Level.  
Sal. increase made about 2 wks ago.

10/14/66 Spoke 25 min to H.F. Lewis, who indicated Sal. increase should have been put thru in July, & admits I am now 3 mos late.

10/19/66 WCB indicates he has mentioned my situation to Knapp - Expects to see Knapp about making an adjustment - perhaps next week.

## MEMORANDUM

10/28/66 WCB informed me that he had spoken to Frank Lewis about salary improvement, and Frank assures him I am in for a raise. But best promise is only that it will be forthcoming before year's end - which is still 2 months away.

12/1/66 Spoke to WCB again, after having made calc. of % annual increases, etc, and indicated to him that I wanted to see Bob Moore. WCB advised waiting, saying Moore was in complete acquaintance with the situation; - the time delay involved, the salary level, etc - and WCB had expected that increase would have been announced by now. He indicated tardiness in adjustment was hoped to be made up by either retroactive pay or by additional increase. Told WCB I would wait thru next pay period; would expect possibly to see him again if increase did not measure up to my expectations.

## MEMORANDA

### DAYS OUT OF OFFICE - 1968

May 31 - 1 Day - Vacation

June 24 - July 6 - In Mexico (or enroute) on AHMSA job.  
Worked Sat. June 29, Thurs July 4 & returned Sat July '6. Also part of Sat 6/30 May also be credited with working Sunday June 30.

- 7/10/68 GWW reports 6/29, 6/30 & 7/1 were marked as "worked". So also was 7/6. But RBM feels exempt personnel often get caught returning on a Sat. and must accept this. ∴ Will be permitted 3 days off, not 4, to compensate for AHMSA trip.  
"Time card is to be marked "Time off for time worked" in each case.

7/26/68 GWW reports that because Lynsky is leaving, "time off" for him is awkward, and he will be paid for the days worked. Payroll insists on treating me the same way, so I will receive 3 days extra pay, rather than get time off.
